**“After eight years of seminary and countless of years serving, God has ordained me to serve as a priest. Throughout not only my years as a seminarian but for the many years leading up to that, Our Lady of Peace has been a second home to me. I cannot thank you enough for the continued support and prayers through the years. From the time that I started altar serving in fifth grade to raising enough funds to attend two World Youth Days to acting as the master of ceremonies for many Christmas Masses and Triduum Services, OLP has continued to be patient and supportive. From your generosity to me and my family, I learned firsthand the influence that a parish can have on fostering a vocation. While I will soon be assigned to a new parish in our diocese, Our Lady of Peace will always be the parish where I first fell in love with the priesthood. Know of my continued prayers and love for many years to come.”**

**Thank you,  
Fr. Kevin**
